

FLEX LEAGUE REGISTRATION INSTRUCTIONS

Player registration fee is either \$25.00 or \$35.00 per league for singles and \$20.00 or \$30.00 per player for doubles. USTA members receive the \$10.00 discount.

You will host ½ of your matches and are responsible for the court fees and balls for the matches that you host. Either player may enter scores.

To register for the Flex Leagues, go to the TennisLink website <https://tennislink.usta.com/Leagues/Common/Home.aspx>

Log in and click on the USTA Flex Leagues tab.
Click on “Register for a League”
Use the drop down boxes to look for our available leagues.

After registration closes, your schedule and opponents will be published. Every match will be given a “suggested play by date” but this is just a weekly guide. You and your opponent schedule your matches based on your availability and play at your own pace until the end of the league.

Divisions with flights will have a single elimination playoff at the end of the league.

Please email Carla at carlacat@att.net with any questions.

Thank you for playing in our Flex Leagues!
