Mission Statement

NOMATA's mission is to promote the development of tennis as a means of healthful recreation and physical fitness for all Metropolitan New Orleans area youth and adults, and to cooperate with the United States Tennis Association and other associations in the pursuit of these aims.

We provide tennis in the community through the USTA pathway of linked programs that encourage prospective tennis players both junior and adult to TRY, LEARN, and COMPETE in this lifetime sport.

New Year's Message:

It's not the destination, but it's the journey. We hope each day of this year is a new adventure filled with great outcomes, much laughter and plenty of tennis! Happy New Year!
