UPCOMING 40 & OVER MIXED DOUBLES TOURNAMENT VOLUNTEER SIGN-UP – Court Monitors Needed

NOMATA needs volunteers to be Court Monitors for the upcoming 40 & Over Mixed Doubles Tournament in New Orleans. Below is a description of the duties as well as a link to sign up for the location and time you are available to help. We appreciate you considering making this one of the best tournaments of the season!

Court Monitor Information and Duties

1. Arrive 20 minutes before the scheduled time so that any questions and other directives can be discussed with the tournament referee or director. A walkie-talkie will be provided to you for communicating with the tournament desk.
2. Monitor warm-up time (10 minutes) and advise players if they run over.
3. Make sure that all courts have three balls to play with.
4. Should a disagreement occur on any court, please let the referee know so that the problem can be taken care of.
5. As soon as the players shake hands, (match complete), let the tournament desk know so that another match can be scheduled for that court.
6. Provide any other service as the tournament referee or director may request.
7. All of the above will keep the matches flowing and the amount of court time to a minimum.
8. Lunch will be provided.
